DETAILED ACTION

1. Claims 20-28 and 31-36 have been examined.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on 01/19/2005, originally filed 01/17/2001, was filed before the mailing date of the first Office action on the merits on 11/21/2003. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Specification

3. Page 11 of the specification is missing. Please, provide a replacement sheet for page 11 as originally filed.

Allowable Subject Matter

4. Claims 20-28 and 31-36 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Claims 20-28 and 31-36 are drawn to a computer readable media on a mobile device. The closest prior art, Parkinson et al., U.S. Patent No. 6,088,457 A, discloses a similar media. However, they neither show nor imply an expiration data portion indicative of a subscription expiration date associated with the address, wherein subsequent content messages corresponding to the subscribed service, received over the address after the expiration date, are discarded. This

particular feature explicitly recited in independent claims 20 and 31 renders claims 20-28 and 31-36, respectively, allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
